### DR. GILBERT CORELLA, PRINCIPAL CONDUCTOR

Retiring from the United States Air Force Band after 25 years of service, Dr. Corella continues to perform as a soloist and clinician at colleges and universities throughout the United States. He is currently the tuba/euphonium professor at George Washington University, and is the founder and Executive Director for the Serapis Foundation, whose mission is to promote music educations and appreciation. He earned his Doctorate of Musical Arts degree in May of 2005, as the school's first-ever graduate in tuba performance. Retired Colonel Arnald D. Gabriel and Professor Anthony Maiello are amongst his most influential teachers, as well as Baltimore Symphony principal tubist David Fedderly and the former National Symphony principal trombonist Milt Stevens.

Join us for the Prince William Community Band Festival
