DR. GILBERT CORELLA, MUSIC DIRECTOR

A champion for music education, Dr. Corella has served the Washington Metropolitan area for more than 30 years. He is currently the tuba/euphonium professor at George Washington University and the founder and executive director of the Serapis Foundation - its mission to promote music education and appreciation. He earned his Doctorate of Musical Arts degree in May 2005 from the Catholic University of America (Washington, D.C.), as the school's first-ever graduate in tuba performance. Dr. Corella served 25 years with The United States Air Force Band, joining the organization as a tubist with the Ceremonial Brass and retiring as the Director of Special Events. Colonel Arnald D. Gabriel (USAF ret.) and Professor Anthony Maiello are among his most influential teachers, as well as Baltimore Symphony principal tubist (retired) David Fedderly and the former National Symphony principal trombonist Milt Stevens.
