DR. GILBERT CORELLA **MUSIC DIRECTOR**

Dr. Corella began his musical career with the United States Air Force Band in 1985. He participated in ceremonies ranging from State arrivals at the White House to full honors funerals at Arlington National Cemetery and represented the Air Force as a soloist and clinician at conferences worldwide.

He later moved into administration to become the director of the Air Force Band's Chamber Series program and eventually joined the public affairs team. He built partnerships with civilian and other military organizations to promote the Air Force's public image. He managed radio and television productions as well as represented the Air Force at international music education conferences. After serving 25 years, he retired as the Director of Special Events.

Dr. Corella is featured on several compact discs, including *The Bear (Unnatural Ax)*; *Side by Side, A Klezmer Service*, *National Taptoe*, and *Tower Music*. In 2003, he founded the Serapis Foundation, whose mission is to educate and stimulate awareness on the diversity of musical expression with a focus on diverse and economically challenged children.

His degrees include a Bachelor of Arts from the Catholic University of America; a Masters of Arts in conducting and performance from George Mason University; and a Doctorate of Musical Arts from the Catholic University of America - as the first-ever graduate in tuba performance.
